

SPONSORSHIP OPPORTUNITIES

A3 SCOTLAND 2024

TRANSITION TO DIGITAL
FIT FOR THE FUTURE

The event

A3 Scotland 2024 will take place in Inverness, Scotland, on 18 and 19 September 2024. This not-for-profit conference for the Animal Health, Agritech and Aquaculture (AAA) sectors, brings together industry, investors, scientists and government officials from all over the world. It seeks to foster strategic partnerships and to discover the latest in innovation.

The inaugural event in the A3 Scotland event series took place in Edinburgh in April 2022 and focussed on the transition to net zero, and the contributions innovation, investment and collaboration can make to this. The conference included sessions on each of these themes, across each of the three sub sectors, and presented by leading industry speakers.

Who attends?

The event will attract 200 delegates from all areas of industry, research and public sector including:

National and

- international investors looking for new investment opportunities
- Global and renowned Scottish life sciences and technology businesses seeking out collaboration/partnership opportunities
- Entrepreneurs and emerging new talent including start-ups and university spin-offs
- Academic leaders and research institutions
- Policy makers

Why sponsor?

A3 Scotland 2024 is the industry event of the year, where emerging new talent and the biggest names across the AAA sector converge under one roof to network.

Sponsorship provides exposure to this influential audience and sends a message that your organisation is strongly aligned to Scotland's internationally recognised AAA sector.

The event also relies on the support of industry to develop and grow, and we look forward to working with partners that recognise the value of industry collaboration.

Types of sponsorship

We have a variety of sponsorship opportunities listed below with varying benefits:
